Dear CLUB,

Like many blokes I have a thing for girls with big breasts, so when I first met my girlfriend Becky she drove me absolutely mad. She has typical English rose looks, with pale flawless skin and long blonde hair, but my absolute favourite thing about her is her massive tits.

On our first night out together she sent me all the right signals. Sitting beside me at the pub she began to uncross and cross her legs again seductively, trying in vain to rearrange her bra under her tiny camisole top. As though a little piece of lace and cloth

could evenly hold those two huge, incredible breasts! Frequently, I had to shift my position to hide my huge erection and, by the time we were ready to go home, I was in a right state. She agreed to come back to my flat and when I asked her if she wanted a coffee or anything she shook her head and put her arms around my neck. "No thanks," she whispered into my ear. "I've got much more interesting things planned for us tonight."

I couldn't believe it. She was obviously as hot for me as I was for her. Our lips came together and our tongues darted in and out of each other's mouths. My cock was straining in my boxers as I felt her big boobs pressing hard against my chest. I couldn't believe how horny this bird was. As I felt around her back, looking for the fastening of her bra, she began undoing my belt and the zip on my jeans.

“With one fluid movement she engulfed my entire dick in her mouth....”

"I've been looking forward to this part all night," she said breathlessly. "Are you ready?" I had never been so ready for anything in my life, and I couldn't help grinning as she pulled her top over her head. Her lovely tits were restrained in an amazingly sexy black

bra, and undoing the back, Becky removed it, releasing her beautiful big breasts. She shook them, making the soft globes of pale flesh wobble and bounce before pulling and pinching her large pink nipples with her long red fingernails.

It was one of the sexiest things I had ever seen and my mouth watered. I bent my

head and took turns licking her hard nipples, giving each one the love and attention it deserved. Becky was making sobbing noises with pleasure as I licked and suckled on her boobs, and I knew I was hitting all the right spots when she began to gasp and urge me to suck even harder.

I felt Becky shudder, and her panting became faster as she reached down the front of her jeans and began to rub her pussy. Gulping for air, she pulled back and, holding onto me, she fell to her knees, groaning with pleasure. Then, looking up at me with a saucy smile, she licked her full red lips and stared intently at my crotch.

Her head was now at the level of my groin and, with my zip already down, she easily pulled my jeans and boxers off. Now it was my turn to start groaning.

Becky bent forward and kissed the head of

hint from the way I'd been staring at them. Bunching her huge tits together with her hands, Becky invited me to place my cock beneath her breasts. Taking it in her hands she slid it between her massive globes and began working my shaft up and down between them.

Each time my penis emerged from her cleavage,

Becky would flick the head with her tongue, which brought me dangerously close to climax.

I knew that I couldn't hold out for long, though, and told her so. Becky grinned impishly and told me not to hold back, which was just as well because just then I felt my spunk rush up the shaft. I just

balls. This was an unexpected move and felt absolutely great. Becky had an expert technique and she smiled at my reaction before moving her lips back to my penis. With one fluid movement she engulfed my entire dick in her mouth and began moving up and down the shaft, her lipstick leaving red streaks on my length.

Then she took my cock deep into her mouth, sucking expertly, while cupping my balls with one hand. Occasionally she would look up at me making eye contact, which was so gut wrenchingly sexy that I had to concentrate hard just so as not to blow my load there and then.

I could feel my balls begin to tighten when suddenly Becky released my cock from her mouth, sat back on her heels and asked me if I would like to be a little more adventurous and fuck her tits. She'd obviously taken the

couldn't hold off any longer.

My hips jerked as my throbbing cock showered her heaving tits with my sticky cum. It was jerking uncontrollably as the second and third blasts splashed her on her face and chin.

Becky giggled and wrapped her lips once again around my cock head, sucking my twitching prick until it was dry. Then she fell on her back, pulled down her jeans, and began furiously fingering herself.

Desperate to repay her for the tremendous pleasure she had given me, I got on the floor and buried my head between her legs. I set to work tonguing her engorged clit while working my fingers between her wet pussy lips. Becky was already extremely aroused and it only took a couple of strokes before she was screaming as her climax hit her. James, Stockton.

my cock with her glossy red lips. I shuddered and she reached around with her hands, grabbing my buttocks to keep me steady. Parting her lips she flicked her tongue across my cock head, making me moan softly at the sensations of pleasure she was creating with her tongue.

Pulling back from my cock, Becky moved under me and began gently nibbling on my

Here at Club, we like to bring something, or someone new to our faithful fans, and this month we have the fresh-faced bisexual Bailey Brooke, who has caught more than our attention in her light blue lace lingerie. This 22-year-old, 32C-22-33 lets us in on her female type...

"I'm a sucker for a petite blonde, and if they are pale too, it's a bonus."

Have you always liked girls?

"Yes, I've always been into girls and often have been seeing them at the same time as a guy, and sometimes when I'm dating a guy, we'll find a girl that we both like."

Crumbs, I think we've found our dream girl!

This is clearly the special office issue, with Paula Shy also letting us in on her daily work routine, dressed in a fetching check blouse and little black hot pants. This little lady would clearly be wasted taking notes, so we were glad to hear when Paula Shy, the opposite of her namesake, by the way, was keen to show off her front for the camera. So as her shapely doves and neat, tight pussy came out, all we could think about is how much we'd enjoy Paula sorting out our stationary cupboard. We do like to keep our pencils sharp at Club.

OFF ♣ YOUR HEDONIST

Want some fillums? Then how about these!?

Bodyguard

DVD £12.99

Any fans of the Line of Duty your ears will prick at this latest instalment from its genius creator Jed Mercurio, and it's had no shortage of critics praise, as a down to earth, in reality, driven James Bond capacity. David Budd (Richard Madden) is no slick hero though, a specially trained soldier, who has served out in Afghanistan who has come home with PTSD, which keeps him teetering on edge, coupled with a brooding hatred towards the powers that be, who endorse the war, it's a war with himself as well as the outside world. But it's his specialist training that creates a thrilling opening to the first episode, as he identifies a possible suicide bomber on a train. The hero's prize, to protect the Home Secretary Julia Montague (Keeley Hawes), who is a weapon of character, with her own PA describing her as a sociopath. And it's here in Budd and Montague's relationship, which takes place in the corrupt corridors of power, that we see Mercurio flex his subverting muscles with demonic power, using juxtaposition and possible political agendas subtly. Mercurio really focuses on the principal characters which accomplish a depth and ease of viewing, and that's putting aside the fact the Hawes and Madden are incredibly enticing on screen together. Dark and obsessive like a rich chocolate gâteau, that you won't be able to stop stuffing your face with.

Deadpool 2

DVD £9.99, Blu-ray £12.99

Any fans of the first Deadpool may find the second a slight trial, for the self-mocking and profanity-laden humour can start to feel wearisome at points. But for all the barbed comments Wade Wilson/Deadpool's (Ryan Reynolds) heart is in the right place, just like all the other heroes in cinema. Still slickly choreographed by Director David Leitch and ultra-violent, like another of his features Atomic Blonde, and yet, Leitch manages to twist violence and comedy together, so they are part of the same string, which is something to marvel at. But overall the plot is a trifle thin in places and could have done with a bit more depth, plus I'm not fully engaged with the well of his despair, which feels randomly interjected throughout the film.

Crashing: Complete Series

DVD £12.99

If you haven't watched the BBC 3 comedy Fleabag than frankly, you are beyond my aid. But if you really want to start at the beginning of Phoebe Waller-Bridge's TV accreditation, then I suggest you start with Crashing, a frankly weird and wonderful series based around young property guardians who live in a disused hospital, that shamefully only ran for one season. The narratives conundrum is the old question of can men and women be friends, as Lulu (Phoebe Waller-Bridge) arrives back in Anthony's (Damien Molony) life with a ukulele in hand. This show rests on tonal flips, and hilarious throwaway comments, that are a ballooned truth of millennial living today, excellently captured by Waller-Bridges and assembled into a sitcom with edge.

Club's KIT BAG

Plug and play with yourself...

£114.99

Supernova

The Plug III

www.bikester.co.uk

The working week can often be a blur especially in the morning before the first hit of resuscitating caffeine, so when you peer down at your phone to be met with an angry red battery symbol, it can sometimes seem that all is lost for the day, well until you can get to work and plug it in that is. But now you don't even have to wait if you commute by bike, with this smart charging device that replaces your headset cap, and runs a charge off speeds of 7.4 mph, which it harvests from your dynamo. This Eco gadget has a central position, without the tangle of cables, a charging status display, with a charging current of 500mA. It's also as light as a feather at 46g, for the weight conscience cyclists out there. Pretty nifty by our book.

£249

Samsung

Galaxy Watch

www.samsung.com

I was attempting to work out how many hours in the day I waste attempting to make smart technology work, but halfway through my calculation, a part of my life unsynced, and I then spent the next hour trying to sync up my wearable technologies, to no avail. So with this in mind, I've come down hard on the Galaxy Watch from Samsung. Don't get me wrong, there are pro's, two-day battery life, excellent activity tracking skills, an attractive OLED screen, you can even pay for things. But on the whole, I did have trouble pairing devices, and you have to install quite a few apps on a non-Samsung phone for the watch to work. On the whole, the Galaxy watch doesn't feel quite there yet, the old-fashioned Casio's still wins for me.

£279

Marshall Kilburn II

www.marshallheadphones.com

If you've ever fancied yourself as a rocking guitar tickling God, but don't quite have the skills to carry through the daydream, then you can live out part of your fantasy with Marshall's Kilburn II speaker. Roughly the size of an old Roberts radio, this little chap packs a punch with an excellent sound range, but it does, as you would expect, deal with Motörhead a bit better than Mozart. It has the distinctive Marshall amp style, but it's been toned down slightly, less chrome, fewer sockets, which has made it marginally more contemporary in style. This is essentially a portable Bluetooth speaker if you want a gym work out at the same time as the body is a hefty 3.2kg. A bit overpriced compared to similar speakers on the market, but it is very happy when you turn it up all the way for a blast out session, unfortunately it doesn't go up to 11 yet.

Chelsea French has been keeping us randy for a number of years now, and the seductress has no intention of stopping anytime soon.

"Absolutely not, where would the fun in that be? I'm a woman who needs a daily shafting; otherwise, I can become a little grumpy. Pussy needs a meaty feed at least once a day you know."

Is it possible that we've stumbled across Aphrodite? In any case its clear that Chelsea is a goddess!

The first question I put to Ulysse, 'Are you looking for Leopold?', she takes with a smile and a pinch of knowing laughter behind the eyes, which suggests this cute brunette has been asked this before. Evidently, my wit is too late on this occasion.

I take it somebody has said something similar before?

"They might have done. But honestly, I don't think that many people link James Joyce's novel Ulysse and my name."

Really, I couldn't think of anything else; it's a modern classic.

"I know, not that I've read much of it myself, it's the size of a doorstop!"

We've got something the same size, and it's not hard to read where Ulysse's is concerned.

SCRUFF JUSTICE!

Please be upstanding!

The Perverse Games of a Posh Wife

Marc Dorcel

Starring: Dorian Del Isla, Anna Polina, Tamara Grace, Cassie, Josh, Fabrice Triple X, Rico Simmons, Ricky Mancini, Tony Carrera, and Joss Lescaf.

Synopsis: Anna is a wealthy woman and a wise businesswoman. She runs her successful company with an iron hand, drives luxurious cars and lives in a magnificent villa. Anna has everything to live a happy life. Unfortunately, one day her world crumbles when she catches her husband Eric cheating on her with her best friend. Feeling deeply betrayed, her only mission from now on will be to get her revenge and make Eric suffer as much as she did. One evening, while driving through the Bois de Boulogne, she quickly exits the car and runs off into the woods with Eric trying to keep up with her. After taking off

clothes, Anna starts fucking a total stranger, leaving Eric completely startled. But for Anna, Eric hasn't suffered enough yet, and it's only the beginning of her revenge. She intends to go further, much further. Eric's suffering will be long and painful. Who knows where Anna's perversion will stop.

Verdict: Embarking on an affair with a beautiful blonde is never going to end well if your Anna Polina's husband, in the latest Marc Dorcel pop, where a game of one-upmanship explores the darker side of an

unhappy marriage. This is emphasised by the willing strangers lined up in a forest as Anna indulges in a seemingly random saucy adventure, which her husband Eric bares witness to. Very French in style and execution, leaving a sexual hum and scandalous taste in the air.

Home Nurse

Private

Starring: Alessandra Jane, Amirah Adara, Clea Gaultier, Sienna Day and Barbie Sins.

Synopsis: "Do you have Private healthcare? Well, you can now! Our team of Home Nurses are dedicated to relieving the stress of hard working business men in London. Alessandra Jane, Amirah Adara, Clea Gaultier, Barbie Sins and Sienna Day use a wide selection of talents to help drain all the frustrations from their well-hung patients. Sensual massages turn into hardcore booty calls, and it is all in the name of keeping healthy! Whether it is a sloppy blowjob, a hardcore anal session or an intense pussy pounding, just ensure you are ready to enjoy your medicine."

Courtesy of Private

Verdict: I was on the brink of giving BUPA a call after seeing this and only wish Private really did have a fleet of nurses to attend an aching hard on, but hey-ho a man can still dream. Anyway, what a performance from Sienna Day who gulps down a mouth full of cock or a sloppy blowjob after a sensual massage gets Alberto Blanco all fired up and ready to unload, which he does with a full facial blast. But it's not just Miss Day having all the fun as Amirah Adara gets in on some action from Alberto Blanco as well after he succumbs to a football injury. There's a great 69 position before Blanco spreads Amirah arse cheeks and opens up her bum hole with his sizable rod for some hardcore anal. If only this were available on the NHS!

If a grabbable arse, melon-like, well, melons and a naughty sense of fun is what you're looking for, then you have arrived in the paradise that this month's cover girl Beth Bennett has created, as she shows off her sumptuous curves and gives a quick low-down on what she's been up to.

"Recently I've made some really fun personal fantasy video's; the best one was where I tipped 28 cans of baked beans all over myself, I was pretty juicy!"

Well, that brings a whole new meaning to flicking the bean indeed.

This looks like an exciting office to be, with a double desk pussy rub in the offing, as Darcie Lee and Alyissa Kent are eager to strum each other's beavers.

"Too right I am, have you seen how wet Aylissa is? I joked earlier and asked if she came with a tap!"

Well, if it's a plumber you're after I'm sure we could be of assistance, we certainly know how to stop her up.

"Don't you worry, I've got it covered."

And with that Darcie pulls out a sizable strap-on, and our trousers threaten to burst open with the strain.

WANK ON A WALK

You get some real bonuses living in Cornwall. The views, the peace and quiet and the people who have a habit of visiting you so that they can have a free holiday! But believe me, when a visitor is as sexy as my old friend Angie you welcome them with open arms!

Angie had come to visit – as she usually does twice a year – when one blistering summer's day we went for a walk along a particularly beautiful cliff path. After a couple of miles we were all melting from the heat. My boyfriend Keith suggested that we cooled off and we moved from the path to the beach below. We just slipped our walking boots off and went straight into the sea. Because we were all wearing shorts and vests it didn't seem to matter. After mucking about for a little while I'd had enough and said I was going off to have a pee. They both laughed, but said no more. The truth of the matter was that watching Angie bounce around in the surf, her long black hair curling around her tanned shoulders and her full breasts threatening to burst free of her soaking vest, had made me feel in need of a little personal attention.

I climbed back up to the path and found a small group of trees far enough away from the walkway to be out of sight. I wasted no time slipping my soaking shorts and panties down. I kept my vest on, but pushed it up to my neck so that I could get my shaking hands to my breasts. I groaned, pinching my nipples and squeezing the flesh. I let one of my hands slide down my stomach and through my thin thatch of public hair. My fingertip found the bud of my clitoris and I had to bite down on a cry of pleasure. I stumbled back until I was leaning against a small tree. I let my legs slide forward, opening them wide so that I could get at my soaking cunt. I pushed back against the tree as my hand ran down between my plump lips, my fingers quickly finding the opening. I knew that it wouldn't be long before I

climaxed and raised my fingers to my lips to taste my sticky juice.

“Are you going to keep all that juice for yourself?” My eyes snapped open and I gasped when I saw Angie standing, half-bent, in the small clearing. I was so stunned to see her that I couldn't move, my guilty hand hovering near my hot lips. She moved further into the clearing, straightening as she approached. I swallowed, unsure of what to say. I decided to try and laugh it off and forced a chuckle to escape my lips. That laugh turned to a small cry as Angie suddenly sank to her knees between my legs and buried her face in my pussy. I cried out again as her teeth nibbled at my hard clitoris. My hands instinctively stroked the back of her head as I pushed my cunt towards her beautiful mouth. She pulled back slightly. “You taste lovely,” she whispered. “I want you to come in my mouth.”

My whole body shivered as her tongue probed between my swollen lips and slid deep into my pussy, lapping at the juice that was now gushing from my throbbing cunt.

“I'm going to come,” I groaned, grinding my pussy against Angie's mouth. In response she delved her tongue deeper and then pulled back to lash at my clitoris, pushing the hood back with her teeth. I gasped loudly and bucked my hips as I felt juice gushing into her mouth. In the depths of my pleasure I could feel Angie licking at every drop, desperate not to spill a drip.

“He sank the remainder of his length into me and held himself there...”

quickly built to a thumping fucking that had me screaming for all I was worth. Neither of them seemed to care how much noise I was making, perhaps hoping that some other passers-by would join them. Angie certainly seemed happy to make me beg for mercy as she slid three of her slender fingers into my gaping vagina and thrust them into me as Keith thundered in my arse.

My final climax, when it came, shook my entire frame and I almost collapsed under the sheer intensity. Straight away Keith pulled free of me to shoot his come into Angie's eager mouth.

Angie licked him clean while I recovered from the double fucking. Then she turned to us both and the look in her eyes said that after everything she had done she deserved

I thought that Angie had done with me and I was ready to repay the compliment, but she slowly shook her head, her eyes smiling devilishly as she forced me to turn round. “Bend forwards,” she ordered. I did as I was told. “Finger me. Please,” I gasped.

“I can do better than that,” Angie half-laughed and pulled away. I kept my eyes closed, waiting for whatever Angie had planned. I felt my vagina being spread wide by a shaft of meaty goodness. Crying out with surprise I looked over my shoulder to see Keith guiding his cock into me. He sank the remainder of his length into me and held himself there as Angie slipped between my legs. Then Keith began to thrust as Angie leant up to suck at my clitoris. She alternated her sucking, moving between my hot clit and Keith's balls. I lowered my head and managed to watch as Angie sucked one of his balls deep into her mouth. She caught my eye and smiled as she released the sack and then clamped her teeth around my clitoris. She nibbled firmly and although I gasped in

pain, very soon the pleasure was incredible and I bucked back against Keith. He rode me hard, thumping his cock into me and I came over and over. Angie drank the juices as they squirted from me, but she had still more delights planned for me. Angie guided Keith back and he stood obediently as she spread my buttocks. I gasped as Angie squirted a mouthful of my juice between my buttocks and eased the sticky fluid around my anus.

“She wants you,” Angie announced and slowly guided Keith forward. “Fuck her good while I suck her clit.” Keith's penis nudged my lubricated opening and I held my breath. Angie returned her lips to my clit as Keith pushed into my anus. I gasped as Keith forced his way past the initial resistance and then I was filled with his gorgeous cock. He found his rhythm and

the fucking of her life. And that was exactly what she got.

Holiday Hots

Every year me and my mates go on a foreign holiday together. We always go somewhere where there's plenty of sunshine and the nightlife rocks. Well, this year I was really lucky because I met up with a real stunner called Sara the very first night of my holiday. Sara had a great body, which she showed off to perfection in a tiny crop top and a really short skirt. She had long dark hair, brown eyes and piercings in her nose, tongue and belly button, which gave her a very exotic ethnic look.

We met at a disco bar and straight off there was a kind of hot chemistry between us. My mates, who were still trying to pull, gave me the thumbs up and cheered as Sara and I began snogging on the dance floor. She was really hot and her body moved in a very sexual way, with her hips gyrating as she ground her crotch into mine. It didn't take much of this action before I was sporting a bulge in the front of my jeans. Sara noticed and wrapped her arms around my neck. Her

hot breath on me and her perky little tits pressing against my chest made my cock swell even more, and I was desperate to get out of there and fuck her.

Sara was well up for leaving and I let the lads know that I was splitting while Sara went off to the ladies' room. We headed down to the beach, hardly able to keep our hands off one another. It took a while before we were clear of the holidaymakers and bright lights, but the long walk down by the seashore was worth it when we found a quiet spot.

Our hands tore at each other's clothes until we were naked against the sand. I rolled over and pressed my body on top of hers. My cock was really throbbing now, aching for release, as Sara wriggled invitingly under me. I kissed her hard and Sara reached down and began to softly stroke my cock.

She wrapped her legs around my waist and her arms around my neck and tangled her fingers into my hair as my cock pressed against the warm wet opening of her pussy. I was desperate to feel my cock inside her and she gasped as my thick, hard prick spread her pussy lips and slowly entered her. The inner folds of her flesh squeezed and pulled at my manhood as I slowly pushed my cock deep into her. Her pussy muscles clenched and she moaned in my ear as she nibbled and sucked on my neck.

I squeezed her arse cheeks, pulling her forward and plunging the full length of my shaft into her, then held it there. Her pussy contracted around my throbbing tool and then I slowly raised her hips and plunged down onto it again. Her pussy was so tight that my cock began to swell even more and I

“I could see my cock spreading her pussy lips clearly...”

felt like I was about to explode, but somehow I managed to hold back.

Attempting to take the pressure off my straining cock, I lowered my head and began to suck her hard nipples while my finger and cock continued to explore her lower body. Sara showed no such restraint and squeezed her legs tightly around my hips. I began to hammer my cock deep into her, pressing her body hard into the warm soft sand with each stroke. She bucked and squealed as her pussy tightened and constricted around my plunging member. Her breath came in gulps as her pussy spasmed and I held her to me as her orgasm shook her body. As our bodies clenched together I willed myself to hold off from cumming just a little longer.

She pulled away from me and turned around placing her wet pussy over my face and lowering it gently down onto my waiting mouth. I snaked my tongue out and slid it easily inside her pussy, causing her to growl and moan with desire. Not to be outdone, she began to stroke my cock, spreading her lips over the tip and slid it into her mouth.

As her tongue tickled my dick, I moved my hands up I pulled her down harder onto my tongue. Taking her clit into my mouth and sucking it firmly, I flicked my tongue over and around it until she began to whimper softly. My cock reached full length as Sara moved down my body and slid it deep into her pussy in reverse cowgirl position. I had never had a bird do this to me before, but it was something that I had seen in countless wank flicks.

I watched her from behind as her arse moved up and down. I could see my cock spreading her pussy lips clearly and I put my hands on her hips and pushed her up and down on my shaft. Sliding my fingers between her ass cheeks, I began to rub her anus with my thumb. The moisture of our lovemaking covered my hand as I slowly slipped my thumb into her bum hole and began to fuck her with it. I could feel my cock moving inside her against my thumb and I knew I couldn't hold back much longer.

All at once her hips began to shudder and her pussy muscles clenched around my cock as her anal muscles tightly squeezed my thumb. I shot my hot thick mess deep inside of her, emptying my hot, sticky cum into her warm, wet pussy. Pulling her upright as I came, I kissed her lightly while my cock continued to jerk inside her.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

REAM PIE!

My husband loves anal sex. We have been married for two years and during this time I have come to enjoy it too. We only indulge in anal sex once a week as I am afraid of becoming too loose back there. However, because we restrict ourselves to only one arse-fuck every seven days I make an effort to be extra sexy for Mark dressing up in provocative ways that I know will really turn him on.

The thing that attracted Mark to me in the first instance was my innocent young girl looks. He especially likes me to wear short skirts, cotton knickers and ankle socks for our anal nights. Last time was no exception: I was wearing a cute little pale pink T-shirt short denim skirt with pink cotton panties and socks to match.

We were in the kitchen and Mark was delighted with my outfit, turning me around to examine every detail and commenting favourably on the matching socks T-shirt and panties. Complimenting me that I still looked like a teenager, he pushed his hands up under my skimpy skirt and salaciously massaged the

dampening gusset of my panties.

His breathing quickened with lust and I could feel his cock straining against his flies through my skirt. I unzipped him, releasing his rampant tool, teasing his moist mauve cock-head with my fingertips I until the first beads of pre-cum appeared. I squatted and licked these off as a prelude to gobbling him hard, watching him wriggle as he felt my warm mouth dexterously working his member.

After a short while the stimulation plainly proved too much for Mark to bear. He pulled me gently to my feet, and, turning me around, helped me out of my T-shirt. I was bra-less, and he cupped my breasts in his hands, gently squeezing them before rolling my erect nipples between fingers and thumbs. I arched my back and lent into his body, feeling his hard-on poking against my lower back.

“...my sphincter muscle expanded to permit him to feed his shaft inside me.”

Lifting the back of my skirt, he caressed my buttocks through the cotton fabric of my panties as he guided me towards the kitchen table. Bending me across its surface he peeled my panties down and off and spread my legs. I felt his finger slide across my clit, then his rigid cock began forcing itself inside my juicy fanny. Having lubricated his tool inside my soaking hot pussy, he withdrew it. Pressing his helmet against the entrance of my bottom-hole he prodded it until my sphincter muscle expanded sufficiently to permit him to feed his shaft inside me.

Mark's cock pumped in and out of me as I squirmed and writhed beneath him, my pussy pounding and my arsepipe throbbing. Desperate for the orgasm that I could feel approaching, I pushed my arse backward to meet each thrust as his hardness sawed in and out of me. I felt the knowing tingles, then the first wave of orgasm hit me. He took that as his cue to cum too, unloading what felt like barrels of goo deep inside my arse.

Martina, Leeds

RUMP RIDER!

I met Naomi at a conference last year and we hit it off really well. Afterwards we went to her hotel room and had the hottest sex. There's no messing around with this lady. Although Naomi is married she also likes to play around a little, so every so often we meet up for fun.

She's the sexiest woman I have ever met, and I readily admit that if I could lure her away from her man I would do so. Of course our relationship is based almost entirely on fucking so maybe we'd have nothing else in common, but just the thought of waking up next to her sexy body every day drives me crazy and I wish that could happen.

Fortunately, however, her

husband travels quite frequently, and during those occasions Naomi and I meet and have the most amazing sex. The fact that she needs to be screwed silly as often as possible is a tremendous turn-on and I am always more than ready to drop whatever I am doing and rush over to jump her the moment I get the call.

We don't waste our time on small talk. Naomi is always naked and waiting when I arrive, and as soon as I walk through the door I make my way to her bedroom, loosening my clothing en route. Our last shag was last Monday morning, and we followed the usual routine. As soon as her hubby had got on his plane she called me from her mobile on the drive home.

She was naked and waiting on the bed for me when I walked in the door. I lost no time stripping off, and within moments of my arrival I crawled up the bed, and, gently touching her lips with mine, I slid the throbbing head

of my dick between the slick swollen wet lips of her pussy. Nudging it against her clitoris I watched her pussy lips give way and squeeze tightly around it as though sucking it in.

Naomi is very vocal and loves to talk during sex, and this time was no exception. "Fuck my hot pussy," she kept saying as she rocked her hips upward, grinding her clit against my hard shaft. "Please screw me," she whispered, then she ran her tongue-tip between my lips.

"Fuck me," she demanded, her passion rising as she bit down on my lip. "Do me

now!" Her hands gripped my arse-cheeks and she ground her pelvis hard against mine. I laughed at her impatience and teased her by pulling out my cock and holding it at her dripping entrance.

"Please," she begged, so I mounted her again, penetrating her. With one swift thrust I buried the entire length of my prick inside her. Naomi squealed and clawed at my buttocks, pulling me forward as her back arched. Stabbing my cock deep inside her I felt her pussy muscles squeeze and flex around my

shaft as she moaned and writhed beneath me.

I pushed her legs back, held them there and positioned myself so I could give her a really deep pounding. When I shunted my dick back inside her she whimpered, clawing my flesh as I jabbed my cock back and forth with short, quick strokes. I rode her deep, thrusting and withdrawing, listening to Naomi's breath coming in gasps.

She begged me to allow her to orgasm, but I ignored her pleas and rode her like this until she trembled with every push of my hips. Digging my toes into the mattress, I rolled

“Fingering her tight ring I teased it open with my finger...”

sweet wet cunt gripping tightly around my hard cock as her body shuddered with the intensity of her climax. She shook time and again, her breath coming in short gasps of pleasure before she finally dropped back against the pillows.

I smiled down at her, deciding where on her beautiful body I was going to shoot my load. I had been going to opt for spraying my load on her gorgeous DD tits, but then I thought of her lovely pink rose-bud and reconsidered. Deciding on an anal pop, I rolled her over and began to stroke her buttocks gently with my fingertips. Pinching the tip of my cock to keep it good and hard, I spread her cheeks and ran my fingers from her sopping wet pussy to her arsehole.

Fingering her tight ring I teased it open with my finger and then bent to lick it. Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring. Looking back at me with a grin she reminded me that there was some lube in the drawer by the bed. Knowing that she likes to be well lubricated for anal I wriggled over the top of her and reached into the drawer to get it.

I squeezed a good dollop of the cold lubricant on her anus and gave my shaft a thick coating of the stuff. Pulling her bum-cheeks apart I nudged my cockhead against her bumhole and prodded it a few times to prepare her before pushing my way inside.

Naomi raised her arse slightly as I inched my way inside, relaxing her anal muscles so that I could fully penetrate her. She grunted and growled as I fucked her arse, rubbing her clit in time to every stroke of my cock. She kept yelling at me to fuck her harder, while I held on to her hips and pounded her tight little hole until I could feel my spunk welling up in my balls.

“Go on!” she urged me. “Cum inside my arse!” That was too much! I gave her one more hefty thrust and unloaded my cream deep into her fabulous, incredibly shapely rump.

Ben, Wycombe.

her back onto her shoulders, and changed to fucking her pussy with long, slow, hard strokes. Her hands held onto my arms now, giving her extra leverage to thrust her hips up to meet my plunging cock. Our bodies moved together in a rhythm, and I fucked her

using a downward stroke which pressed me tight against her so she felt the friction of my thrusting shaft against her stiff little clitty.

Naomi's hips bucked on the mattress as I slammed into her repeatedly. Then she sank her teeth into my shoulder as she came, her

If this dame walked into a bar, I think we would have a hard time plucking up the courage to offer her a drink, and our trembling hands would surely give the game away. So rather than throwing drink down poor Lucy, we feel it would be wiser to sit tight and see what happens. So as Lucy perches herself on a stack of kegs (*I can imagine that's your wet dream* -Ed), the opportunity arises to slip a compliment to the girl, who is all smiles and quite giggles, after which our nerves are soothed, and we can get on with the business at hand, or rather Lucy can as she slips her hand down the front of her thong.

What our well-placed moles are telling us this month...

DOWN THE WIRE

CROSBIE, THRILLS & GASH!

To Leeds, base for the women's Chinese Olympic swimming team. As they trained – doing doggy-paddle, lifesaving badges and trying to swim a width underwater, we imagine – they were being watched by local perv Declan Crosbie, who was peering over cubicles at them. Chased by staff, he hid in a cubicle and, in a genius move, answered them in a pretend female voice. Eventually he emerged, pleaded for them to let him go, then pegged it. Police caught up with him and, with his previous convictions for voyeurism and a three year jail sentence for trespassing to be taken into account, it's unlikely they'll accept a defence that he was just looking for his veruca socks.

SHITTERTON HAPPENS!

Ah, schadenfreude. It's time for those of us who live in dull, boring towns with dull, boring names to point our fingers and laugh at those who are less fortunate and live in stupidly-named places. So hats off to Shitterton

in Dorset which just came top of a poll to decide Britain's worst place name. Beating off stiff competition from Pratts Bottom, Crapstone, Brokenwind and Golden Balls, Shitterton even trounced its neighbour Scratchy Bottom. Of course, people in glass houses shouldn't throw stones, and we do work very near a Helmet Row if that's a consolation to anyone...

There's one around every corner!

ATTIC ANTICS!

When Rock Hill, South Carolina woman Tracy heard noises in her attic (or loft, as we'd have it) then saw nails popping out of the ceiling, she thought there was a poltergeist in the house (we didn't say she was intelligent). It turns out it was her ex boyfriend, who she'd split up with 12 years earlier, and who had been in prison. Released two weeks earlier, he'd made a home for himself in her attic, sleeping in the heating unit, and doing his number ones and twos in a number of plastic cups. He'd also rigged the ceiling vents in order to watch Tracy in her bedroom. He fled the scene and is still at large. Check your attic.
